Dean's Garden Centre is a family run business, serving local gardeners for more than 50 years.

Our York Garden Centre at Stockton-on-the-Forest was established in 1968 by Ken and Margaret Dean. The original Bothy Coffee Shop opened there in 1991.

The Garden Centre has gone from strength to strength and a second site at Scarborough was opened in 1986, followed by The Gardener's Choice Coffee Shop in 1995.

Both Coffee Shops serve a variety of food and drink, sourcing local produce wherever possible and supporting local suppliers.

Following Mr and Mrs Dean's retirement in 1993, the business is now run by their three children. With the third generation of the family also working across the two sites, the Dean family are proud to be a family business with strong roots in the community.
