## **NHS Test & Trace Information**

- Please provide the details requested in line with Government guidelines. By providing us with this vital information, we can share it with NHS Test & Trace, if they require it. This allows them to rapidly detect people who have recently come into close contact with a new COVID-19 case, allowing them to minimise the transition of the virus, which is crucial in protecting the NHS, Social care sector and save lives.
- This information will be stored securely and destroyed after 21 days. The 21 days reflects the incubation period for COVID-19 (which can be up to 14 days) and an additional 7 days to allow for testing and tracing. Please note this information will not be used for any other purpose.
